### JOURNEYS WITH PURPOSE

At the heart of great travel is curiosity—the desire to understand the world more deeply and to bring that understanding back to our own communities. **Saudade Global Pathways: *Journeys with Purpose*** inspires that curiosity by inviting adult travelers to step beyond traditional vacations and into global learning experience. It is bespoke travel that reaches beyond mere luxury and into your hearts.

Each journey is approached as a learning experience—one that is intentionally designed to foster reflection, understanding, and adventure. Our programs are **completely customizable** to your calendar and objectives. There is no standard experience – each journey begins with a conversation focused on your goals.

As we say, “*It’s not a trip. It’s an experience.*”
